For your LCL cargo, we consider the weight specifications provided in your shipping document as accurate and correct and will use them as calculation basis. In case of any discrepancies with your stated weight specifications, additional weighing charge (per shipment) is account for shipper.

S/O no.	VGM (kgs)	VGM Registration no.

For FCL shipment

Method 1 (By Weighing)

Weigh the packed container by using approved weighing scale

Method 2 (By Calculation)

Weight all packages and cargo items individually, incl. mass of dunnage, packing and securing material and add to tare weight of the container

S/O no.	Container No.	VGM (kgs)	VGM Registration no.

We as the named Shipper under (the title of B/L) hereby declares, the shipment details above have been evaluated carefully and according to the requirements of the International Convention for the Safety of Life at Sea (SOLAS), as they have been published in Chapter VI, Part A, Regulation 2 - Cargo Information. This Verified Gross Mass statement contains the VGM amount per container (for FCL cargo) or per shipment (for LCL cargo). Amendments, updates and/or corrections to the verified weights have to be communicated and submitted to the responsible ST Freight Limited immediately.

We understand and confirm that missing, incorrect and / or belated VGM statements may result in non-acceptance of the shipment by the vessel operating ocean carriers and a delay in the originally planned schedule. Any additional cost and liabilities caused by delay due to non-acceptance of the shipment by the carrier to be covered by VGM declaring party (as undersigned).

Signature of shipper's authorized contact person and Company chop
